**Subject:** Gold King funding - Pipeline dollars with Remedial ?

Laura,

I believe we could get some portion of the GK mine work funded with assessment \$ from the Remedial pipeline. Yesterday I spoke with Steve Wharton and told that we could use some versus reprogramming as much RV \$. He is open to this, but we may need to act sooner than later. Joni is waiting to hear back on this before starting the reprogramming effort, and I told we'd resolve it this AM.

We can discuss this morning when we talk.

Thanks,

Steve
